School Magazine 2019

We expect the magazine to be on sale before the end of term. The school has always met the production costs from space sales, advertisements and donations. This year is no exception and we encourage you parents to buy space.

School Uniforms

Children should be smartly dressed at all times. It is now summer, all the children from Grade 0 – 7 should wear their summer uniforms. Please make sure that your child's uniforms are in good condition. All items should be marked with the child's name and not initials for easy identification. School hats should be worn to and from school, at break-time and during afternoon

activities. During afternoon activities children should put on the proper kit for that particular sporting activity. Blazers are compulsory on Mondays and Fridays and at special functions.
