The Eaglesvale Code of Conduct may be subject to change from time to time at the discretion of the Executive. Any such changes will be communicated in full.

The Eaglesvale Code of Conduct: An Introduction and Overview

The Code of Conduct is the set of rules which govern all students of Eaglesvale. Every Eaglesvale student should take the time to read and familiarise themselves with the full text of the Code.

Responsibility for the overall discipline and tone of the school rests with the Executive comprising the Headmaster, Deputy Headmaster, Senior Master, and Senior Lady.

When an infringement of the Code of Conduct occurs, in all cases an attempt will be made to establish the true nature of a misdemeanour.

Serious infringements will be referred to the Disciplinary committee.

The school believes in discipline that is firm, yet just, which is administered with understanding and with the welfare of the whole community in mind.

It further looks to the parent body for support in its efforts to provide an environment in which all students feel secure. Due consideration and discussion will always involve all concerned parties.

The Purpose of the Code of Conduct is:

1. To ensure fair and equal treatment of all pupils.
2. To encourage timely corrective action if a pupil's behaviour or performance proves to be unsatisfactory or unacceptable.
3. To ensure that Biblical principles of justice are applied before a pupil is punished, the school will be guided by Matthew 7:12 **“So whatever you wish that others would do to you, do also to them, for this is the Law and the Prophets”**

Principles of the Code of Conduct:

- A. The Code shall be equally applicable to all pupils including the Sixth Form and the Prefect Body.
- B. It is the responsibility of all members of the Eaglesvale Staff and Prefects, as well as all

members of the Student Body, to always maintain discipline.

Good Conduct at Eaglesvale: What is Expected of Every Student

In any community, standards must be established by which its members can work together harmoniously. Whether the rules take the form of the country's laws, local by-laws, or school regulations, they encompass the same principles of public safety, social responsibility, and goodwill. It is expected of all Eaglesvale pupils that they involve themselves in a high standard of conduct in their relationship with others and the school.

Good Manners

1. Greet staff and visitors cheerfully and confidently. If you are sitting, stand up to greet someone.
2. Aid any adult or other visitor to the school in a cheerful and confident manner.
3. Stand up to speak to people especially staff and other visitors.

4. Do not have your hands in pockets when addressing people.
5. If you are wearing a hat, lift it to greet someone or remove it when talking to a member of staff or a prefect.
6. **Under no circumstances should hats be worn indoors or in the corridors of the school.**
7. Causing a disturbance when someone else is trying to concentrate, study or work is a selfish act. Respect other people's space and right to work.
8. Arriving late for registration, class, meetings, fixtures, games, and practices shows a selfish lack of regard for others' time and effort.
9. **Forgetting to keep an appointment, failing to attend a club or society meeting, practice or rehearsal is not becoming of someone who is well mannered.**
10. Apologise when you are in the wrong. Sincerity is the mark of good behaviour.
11. Visiting schools are guests of Eaglesvale. They should be afforded every courtesy we can offer them.

Respect

1. In all cases there should be an ethos of “respect for the individual” no matter who they may be or where they are.
2. Employees of the school are part of the community. They always deserve our full respect. They may not be used for any task other than that specified by their supervisor.
3. At all times it is essential to respect other people and their property or belongings.
4. School property should always be respected. Breakages or damages should be reported immediately.
5. Any adult or visitor must always be accorded the same respect as that to a staff member. This applies as fully to any Eaglesvale parent who may in the year be offering their services at the school or any of its functions.

General Standards of Behaviour

1. The overlying anticipation is for students to exhibit a Christ like attitude in all their interactions.
2. All forms of bullying and intimidation have absolutely no place at Eaglesvale. This includes physical, mental, verbal, or sexual harassment.
3. Firearms, knives, catapults, or anything else which may be construed as a weapon and may inflict injury on a person, are strictly prohibited.
4. Tobacco products, vapes, drugs, alcohol and incense are strictly forbidden.
5. Dress and haircut regulations as set out will always be adhered to.
6. During the term the school comes first. All weekend commitments must be met. Last minute illnesses do arise from time to time, if so, please let the school or your coach know as soon as possible.
7. Support for some cultural and sporting fixtures are compulsory. Such occasions are communicated to students and are usually indicated on

- the calendar (which is issued on the first day of term) and they **must be attended**.
8. No medical, dental, or driving test appointments, etc. should be made during school hours.
 9. Going off campus for any reason is not permitted without receiving authorisation. This applies to examination candidates as well.
 10. No student is to leave the campus during school hours without a signed note from the Deputy Headmaster or Senior Master / Lady.
 11. A note, signed by either a parent and/or a medical practitioner must be submitted to your Form Teacher to explain each absence from school.
 12. **Single male and female students are not permitted to be alone on campus at any time. (Category 'C' Offence)**
 13. Students accept that the Executive reserves the right to search any car, bag or container brought onto the school campus.

Classroom Discipline

- 1. At all times, there must be quick movement between classes.**
2. There must be orderly arrival and departure from classrooms — line up quietly outside the classroom and wait to be called in.
3. If your teacher has not arrived within five minutes of the start of the lesson, a member of the class must inform the Deputy Headmaster.
4. Stand quietly behind the desk until greetings are over and you are given permission by the teacher to sit.
5. Sit up straight and pay attention. Messing about in class, fighting, and any form of general disruption will not be tolerated.
6. During class discussions, put your hand up and wait for your teacher to invite you to speak. Do not shout out questions or answers or speak out of turn particularly when your teacher is talking.
7. All forms should have prep note-books and all prep or instructions by your teacher recorded in them.

8. Neatness and accuracy as well as high levels of presentation must be aimed for. Take pride in your work by ensuring correct dates and headings are used, accurate numbering is followed, there is a neat layout of notes and work, orderly correction is undertaken, and neat diagrams and illustrations are drawn.
9. Bring the correct books and material to lessons. This requires forward planning and attention to your timetable before the day starts.
10. If a member of staff or a visitor walks into the classroom, you must stand up and greet this person.
11. The classroom must be left in a tidy state: pick up all rubbish, straighten desks and push the chairs in behind the desks. Do not leave any graffiti on the desks or walls.
12. Remember that the bell is a signal for the teacher and not for you. Wait to be dismissed before packing up and leaving.
13. Thank your teacher politely for your lesson.

Manuals and Detention

It must be noted that manuals, detention, and any other form of punishment take precedence over any other activity.

In general:

- Manuals are deployed as punishment for a general disciplinary infringement.
- Detentions are deployed as punishment for poor academic performance, including not doing work or assignments on deadline.

Sick Bay

Students needing to see the Sick Bay sister may only do so with a note from their teacher and/or a member of the Executive.

Functions

Attending any social function, such as dances, cocktail evenings, dinners, and any other event hosted by the school is deemed to be a privilege for a student and not an entitlement or a right. As such attendance is by invitation of the Headmaster or Deputy Headmaster(s) and the privilege of

attendance may be withdrawn if circumstances or breaches of the Code of Conduct warrant it.

The Culture of Eaglesvale.

The guiding philosophy stems from our school motto “Diens” or “Service” and therefore all students are to be encouraged to make their school and their world a better place for others by looking for opportunities to serve. Students should strive to exhibit the fruit of the Spirit in their daily lives. (Galatians 5:22-23)

The Merit System

Students can earn merits within the Eaglesvale school System.

These Merits will form part of the school Record and will be recorded in the Student's Report at the end of each assessment period.

In addition, any Merits awarded will be used to compute the students Honours Rating at the end of each assessment.

1. Teachers/prefects can issue merits.
2. The Merit award is completed and signed by the issuer and then sent to the Divisional Head for signature.
3. The Divisional Head signs and records the Merit points for the upcoming assessment and sends the card to the front office.
4. The front office informs the parent via email.
5. The Merit Card is returned to the issuer to give to the student.

Demerits will be recorded and will be used in calculating the **Students Honours Rating**.

Demerits are issued according to the following procedure:

1. The teacher/prefect issuing the demerit sends the completed demerit form to the Divisional Head.
2. The Divisional Head calls for the offender and reprimands and/or counsels them.
3. The Divisional Head records the demerits for the upcoming assessment.
4. **The Demerit form is sent to the front office for filing, after it is signed and stamped by the Divisional Head. The front office informs the parent via email.**

- acknowledge the misdemeanour and the demerits their child has received.
7. A maximum of 50 demerits will be permitted for all students in Forms 1 to Upper 6.

6th Form Privileges

It is essential to remember that with any privilege comes responsibility.

In any school there are traditions and privileges that pertain to the senior pupils, which are essential to identify. It is essential to do so as they are indeed privileges and not rights, and as such may be revoked or removed entirely should the behaviour and/or attitude of one or all these pupils fall outside the norms expected by the school.

Added to this, the traditions do, to a large extent give the school a particular ethos, which is unique and essential to the school itself and it must be remembered that any “tradition” which damages the ultimate reputation of the school, places at risk any other student or member of staff or poses a risk of damage to the school assets will be outlawed.

The following are the privileges that pertain to the Sixth Form at Eaglesvale:

1. Forms 1 — 4 will greet all Sixth Formers.
2. All students to greet all Prefects.
3. Forms 1 — 4 will give up chairs on request of the Sixth Former.
4. Forms 1 — 4 will wait for the Sixth Formers to either embark or disembark on buses

- provided the Sixth Former is on time for the bus.
5. Sixth Formers are permitted to sit on the balcony during assembly. Students who misbehave on the balcony will have to sit with the Form 4's in the main auditorium.
 6. The Prefects' Common Room is strictly for the use of the prefects only. No other student may enter this area.
 7. Sixth Formers may ask juniors to carry out reasonable tasks.
 8. Attending any social function, such as dances, cocktail evenings, dinners, and any other event hosted by the school is deemed to be a privilege for a student and not an entitlement or a right. As such attendance is by invitation by the Headmaster or the Deputy Headmaster(s) and the privilege of attendance may be withdrawn if circumstances or breaches of the Code of Conduct warrant it.

Again, it must be emphasised that these are privileges and not rights of the Sixth Form and may be removed or revoked at any time by the Headmaster or Executive.

It is essential that all pledges and traditions reinforce and add to the ethos of the school. If it is

deemed that they do not they will be done away with. If any “tradition” takes hold in the school which in any way belittles, disrespects, or embarrasses another member of the school or the image of Eaglesvale in any way, it will be banned with immediate effect.

Students Leaving Eaglesvale

The following must be noted and observed by any student at the School who is due to leave the school at the end of their tenure of study or at the end of a designated period:

- All students leaving are bound by the full rules as outlined in the Code of Conduct until such time as they are no longer deemed a student. This is defined as no longer being under the jurisdiction of the school and usually at the end of the student’s Public Examinations or any other such point in time as defined by The Executive.
- With regards to form 4, U6 and any other public examination candidates, students remain full members of the school until the last day of the third term and as such they are subject to the full rules of the school as outlined in the Code of Conduct.

- Students on “study leave” are to ensure that they attend school correctly attired in recognised and stipulated school uniform and that they maintain regulated haircuts, are well groomed and boys are always clean shaven.
- Students on “study leave” and U6 students who have completed their studies are to remain respectful to all faculty members and afford them the correct courtesy as expected by all students of the school.
- Students who are leaving the school are expected to follow the correct procedure of clearance by collecting a Clearance Form from the Front Office and ensuring that they have accounted for and returned all books and property belonging to the school in the condition in which they were originally issued, subject to fair wear and tear.
- Furthermore, all outstanding fees and outstanding fines have been paid up in full before they will have been deemed to be “cleared” to receive any public examination results or testimonials or letters of references or transcripts.
- Any student who has not officially cleared from the school system OR has missed stipulated or mandated deadlines for the

application of testimonials, references, transcripts, certificates, or other official documents must accept that they have foregone their right to request these documents be produced by the school. Subsequent issue of these documents will be entirely at the discretion of the Headmaster.

Academic Policy

As an academic institution of learning, parents are guided by the following:

- Students are accepted, based on academic merit, ability and potential.
- **Prospective Form 1 students sit the ATS ‘CAP’ paper and in addition may be required to be tested for mechanical reasoning, abstract reasoning, and processing speed.**
- The Headmaster (or Executive member) will interview the student and or his/her parent/s to complete the determination of entry into the school.
- Students are streamed and set into classes depending on academic ability.
- Student’s may be declined entry into the 6th Form if the faculty recommends that the academic ability of the student is not up to

the standard of coping with the demands of 6th form subjects.

- The school decides, sets, and implements the range of subjects and subject option combinations.
- It determines which students, based on academic ability, are suited to which subjects and at which academic level.
- This includes the determination of offering a student either the “core” or “extended” option of a certain syllabus or else “AS” or “A2” components of 6th form subjects.
- The school reserves the right to make decisions on the viability of offering certain subjects and as well as setting directives on class size.
- The decisions of faculty Heads of Department, staff, and school Executive in the determination of suitability for any given subject is final; input from outside tutors or “extra lesson” teachers is not at any time a determining factor in these decisions.
- **Public examination candidates are fully responsible for ensuring they are entered for the correct examinations using their correct names as per their birth certificates.** Examination fees are to be paid by the correct deadline (and that all school

accounts are up to date). They must arrive for their examinations at the correct date and time as instructed on their formal Statements of Entry.

- Students must register with Cambridge for ALL the subjects they selected at the beginning of their IGCSE or A level course of study. No student will be permitted to drop any subject.
- The school reserves the right to withhold the issuing of examination results, transcripts, and certificates, if the proper clearance procedures have not been undertaken. Or if school fees and levies are in arrears, or else there are disciplinary issues outstanding which have not been accounted for.

Policy regarding testimonials, references, predictions, transcripts, and certificates

As a service to students, the school is pleased to issue testimonials, academic and character references, predictions of examination grades, transcripts of academic performance, copies of past school reports and examination certificates. However, the following policy and procedure is to be observed.

- Before any of the above-named documents are issued, all school accounts must be

settled and the student must have cleared all textbooks and completed the mandatory clearance procedure.

- Testimonials are provided, based on applications. **The deadline for the submission of applications is the end of September of each year. It is the responsibility of the student to complete the requisite application form and submit this form by the stipulated application deadline.**
- Application forms can be obtained from the Enrolment Officer at the school Reception. These must be completed and returned to reception for further processing.
- Requests for transcripts must be done through the enrolment officer.
- Failure to meet the application dates and requirements could result in university application deadlines not being met and the school will bear no responsibility for this. Students bear the responsibility to provide truthful information on their testimonial applications and to inform and update their testimonial application throughout the rest of the year should additional information come to light which needs consideration.

- Grade predictions are issued by the school to tertiary institutions based on confidentiality between institutions. They are compiled after the internal mock examinations and are based on Cambridge marking criteria and discretionary input of teachers.
- **Students will not be privy to predictions made by staff and no correspondence or discussion regarding the outcome of predicted grades will be entertained by the school faculty staff and Executive.**
- Only the submission of original IGCSE and AS results will be entertained when requests for testimonials and transcripts are made.
- Requests for personal references from staff members may be made, but these documents will be issued on an official school letterhead and bear an official school stamp. As such they remain official documents issued by the institution. A copy will be kept on file.
- The school reserves the right to reflect any instances of disciplinary breaches of the Code of Conduct which are deemed necessary to bring to the attention of tertiary institutions or prospective employers who request references from the school.
